

## **IQAC REPORT 2017-18**

### **Action plan:- 2017-18**

I.Q.A.C.extends its functioning as usual emphasizing the importance of Academic excellence on par with the cultural fabric. Navodaya first grade college is a cultural hub Winning Laurels from times immemorial. In the beginning of the academic year 2017-18,a few days before the commencement of the academic year all the teaching and non-teaching staff members are invited to contribute their valuable ideas, suggestions and views for the quality improvement and strategies to modernize the Teaching Learning pattern to keep an apace with the globalised trends.

The teaching faculty commits to meet the challenges of the students to face the new CBCS syllabus adopted by the university of Tumkur. The Tumkur university adopted the CBCS syllabus in all subjects which was signed and accepted by the Hon'ble Governor of Karnataka. It has become imperative to conduct various workshops on various subjects to channelize the pedagogical perspectives in a systematic way. The experience and the expertise of Resource Persons have been properly utilized.

As per the CBCS open electives in the IV semester the institution decides to initiate the optional kannada students to take up Human Rights and H.E.P. students to take up literary movements. This upcoming academic year has tremendous changes in Teaching Learning.

The programmes are planned in a chronological order without disturbing the academic schedule. The Head of the institution chairs every meeting and resolutions will be recorded according to the consent of the concerned persons. IQAC plays a vital role in correspondence and preserving the files of every activity.

- It is aimed to improve the inner skills of the students and to expose them to various activities like cultural, sports, participation academic and extra-curricular activities.
- It is focused to earmark the talented students and to send them to university and state level cultural competitions so as to create confidence and competence among the students.
- It is intended to inspire the students, identify the toppers and motivate and equip them with adequate academic material to get ranks.
- As per the policy of state Government the institution adheres to motivate the stake holders to take up Post Graduate studies and higher Education.
- It is planned to enlighten the students to learn ethics, life skills, moral standards with the certificate examinations likes 'Vachana Kammata'.
- The focus is to strengthen the mentor ship and orient the stakeholder to continue the education by revealing the career opportunities available to them there by controlling the rate of dropouts.
- It is planned to enlighten the students to utilize the facilities in the college to a maximum extent.

- It is aimed to assist the economically poor students to get bus passes and fee concessions so that they may continue their education without hurdles.
- It is planned to continue the trend of peer teaching, group discussions, quiz, guest lectures, seminars by students and to take out for historical tours and industrial visits.
- Conducting Taluk level competitions to P.U.College students, by hosting such activities motivating the P.U. students to seek admission into our college, thereby increasing the rate of admissions in the days to come.
- To conduct Social Service Campus at the nook and corner villages and to arrange health campus, dental camps blood donation camps, Hospital Cleaning and to motivate the students by teaching Leadership traits, personality development, communication skills and crisis management.
- Faculty improvement programmes to be taken up to expose the faculty to conduct, workshops, seminars, paper presentation, and to take part as Resource Persons, keynote speakers to interact with the other college university level, national level and international level faculty and to channelize the academic excellence and uphold the reputation of the Institutions.
- To conduct inter disciplinary seminars so as to expand the perspective of learning and thereby providing an opportunity to explore the new frontiers of the other discipline.

- The Institution celebrates all the national festivals with a due respect to the respectable personalities, thereby creating patriotic fervor among the students.

This action plan is in consultation with the management and their guidance for the functioning the IQAC & NAAC steering committee. We on behalf of the Institution and management humbly submit for your gracious perusal.

## **Achievements**

### **Implementation of the IQAR Action Plan and it's feed back FOR THE YEAR 2017-**

18

The Institution initiated the action plan before the commencement of the Academic year 2017-18 emphasizing the importance of imparting qualitative education with a multi dimensional exposure on par with the vision of M.H.R.D. to inculcate and enhance the competence in higher education. Accordingly the Institution reached the target and the following achievements are furnished below.

#### **I. Academic achievements:-**

As for as the Teaching and Learning is concerned the college has performed remarkable achievement and excelled in the Academic excellence. As a result of the mentoring and fine tuning of the state holders two students of our college got 3<sup>rd</sup> rank and 9<sup>th</sup> rank in B.A. Course. The rank holders were felicitated with due appreciation from the college and the management. One of the rank holders is the 1st rank holder among SC & ST.

As a result of the exposure of the students to the various academic tasks like peer teaching, Group discussion, seminars,

guest lectures, quiz the college excelled the university average as for as the results are concerned.

## **II. Achievements in Personality Development Programmes:-**

The students of our college had an exposure to enhance their skills and personality development. Some of the students were sent to Intercollegiate Competitions of various aspects like debate, singing, awareness programmes and leadership camps. Some students got cash prize, momentous and certificates.

The students went to historical study tour to Tamilnadu, Pondicherry and some significant places at karnataka

## **III. Achievements in the cultural hub:-**

Our students got selected at various levels like university level, District level and state level. Their performance was well received and well appreciated by the audience. The Navodaya yuvaka yuvathi mandali performed folk dance at Tumkur and the team was selected to state level competition at puttur. The team has brought laurels to our college and the management and the college staff appreciated the performance of our students.

## **IV. Achievements in the field of Social Service:-**

Our students under the banner of “Swatcha Bharatha Andolana” have taken up a programme to clean the premises of Govt. Hospital, Court premises and APMC year. The students performed shramadana enroute. The Public Health Department appreciated the hard work of our students in preserving hygienic atmosphere in the hospital.

Our students took part in N.S.S. activities. The N.S.S. unit of the college conducted a special camp at Thigalanahalli. The students had an ample time to do social service. In the camp many educative awareness programmes like fire fighting, free health camp and medical check up to the villagers.

#### **V. Outreach-Academic Activities:-**

The faculty of our college worked at various capacities in the university like the B.O.E, B.O.S and went as Resource persons at various workshops, seminars and special lectures at various colleges on invitations. The Academic excellences enhances by sharing knowledge. Hence the college has sent the faculty members for various programmes. The faculty of kannada under took Ph.D entitled 'Narahalli Literature-A critical perspective.
